Course Overview

“Public Speaking and Effective Communication In Teaching” is a comprehensive course designed to empower educators with the necessary communication tools to excel in their profession. Through this course, you will go on a transformative learning journey that deepens into the art and science of effective communication.

The course will begin by showing the importance of clear and concise communication in the classrooms. You will learn to articulate effectively, ensuring better understanding, discover ways to adapt their communication styles to accommodate various learning needs, making lessons more engaging and impactful.

This course will equip educators with conflict resolution skills to address challenges gracefully and provide constructive feedback that encourages students' continuous improvement. By the end of the course, you will emerge with confidence in creating a positive and engaging learning environment.

This course is ideal for experienced teachers, aspiring educators, teaching assistants, and school administrators seeking to elevate their teaching approach through improved communication.

Course Objectives

This course is designed to empower teachers, aspiring educators, teaching assistants and school administrators with the essential communication tools to create a vibrant and inclusive learning environment. Whether you teach in a traditional classroom, online setting, or specialised language program, this course will equip you with practical strategies to engage students, collaborate effectively with parents, and foster a positive classroom atmosphere. This course will enhance your ability to convey ideas with clarity, resolve conflicts constructively and provide valuable feedback to support student growth. So, if you are dedicated to making a positive impact on students' lives and seeking to refine your teaching approach, join this course for this transformative learning experience.

Learning Outcomes

- Develop effective communication skills to enhance classroom instruction, promote active participation and increase students' academic performance.
- Develop teachers' communication skills to foster stronger collaboration with parents and guardians.
- Proficient conflict resolution and feedback skills to create a positive and encouraging learning environment, fostering students' resilience and self-confidence
- Develop communication skills to convey student progress, strengths and areas for improvement in a constructive and empathetic manner.
- Create strong parent-teacher collaboration to promote student success in supporting the children's academic and personal growth.
- A supportive and respectful atmosphere in the classroom to promote a sense of belonging allowing students to develop academically and personally.
- Enable teachers to address conflicts and challenging situations with tact and empathy, by approaching conflicts calmly and with active listening.
- Nurturing a positive classroom environment by practicing active listening and employing empathetic communication techniques.
